

**technical information**

**return form**

Dear Customer,  
 for your safety and the safety of our employees, we would like to ask you to fill out this return form including the decontamination declaration when returning goods to our company. Both documents must be enclosed with your delivery bill.

Please understand that we can only accept cleaned or decontaminated devices and components. Returns in connection with hazardous substances or incorrect or missing information will not be processed and will be returned to you at your expense. Thank you for your understanding.

The symbol of the crossed-out wheeled bin can be found on our electronic devices. This symbol indicates that waste electrical equipment is collected and recycled separately and means that it must not be disposed of with household waste. Old devices marked with the symbol of the crossed-out wheeled bin can be returned using the following procedure:

By ticking the box "Take back old devices" you can make it clear to us that the device should be sent back for disposal. After the device has been returned, we will dispose of it correctly.

**Attention:** Any existing personal data must be deleted in advance by you on your own responsibility!
